In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of a Communication from a foreign patent office in a counterpart application citing such documents indicating the degree of relevance found by the foreign patent office along with an English translation (it is noted that the Communication cites JP-B-52-1819 based on the disclosure in the application being examined, but that disclosure is believed to include a typographical error and should correctly refer to JP-B-52-18191).
